

YOUR **NPA** PURCHASES

Paying For Your Units

Invoices are generated at the end of each business day. You can access your invoices by logging in to your account at NPAuctions.com and clicking Invoices. Click the Invoice number to see full detail of fees.

- Payment is required before vehicles and titles can be picked up.
- Payment is required within 2 business days of the invoice date. Payment includes all Buy Fees and applicable online fees.
- Any invoice with an outstanding balance after ten days from the invoice date, will be charged a 2% late payment fee on the unpaid balance.

Picking Up Units

Units must be picked up within 10 business days of invoice date. Any units at an NPA facility beyond 10 days are subject to a \$20 storage fee per unit per day. If more time is needed for pickup, please contact an Operations Manager. Pick up is available at all locations Monday through Friday between 8am and 5pm.

Once you arrive at the NPA facility, check in at the front desk and provide the Pick Up Code for your vehicles. NPA may assist in loading units onto your transport truck but is not be responsible for tying down units. Fork lifts are available in our warehouse as needed. Boats without trailers will be charged a \$200 boat load or unload fee.
